TIME PERIODS FOR FILING A REPLY TO THIS NOTICE:

1. Applicant is given **no new time period** if the non-compliant amendment is an after-final amendment or an amendment filed after allowance. If applicant wishes to resubmit the non-compliant after-final amendment with corrections, the **entire corrected amendment** must be resubmitted.
2. Applicant is given **one month**, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the correction, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a *Quayle* action. If any of above boxes 1. to 4. are checked, the correction required is only the **corrected section** of the non-compliant amendment in compliance with 37 CFR 1.121.

Extensions of time are available under 37 CFR 1.136(a) only if the non-compliant amendment is a non-final amendment or an amendment filed in response to a *Quayle* action.

Failure to timely respond to this notice will result in:

Abandonment of the application if the non-compliant amendment is a non-final amendment or an amendment filed in response to a *Quayle* action; or

Non-entry of the amendment if the non-compliant amendment is a preliminary amendment or supplemental amendment.

Continuation of 5 Other:

5a. Claim 35 (line 2), for example, implements both 37 C.F.R. 1.173(d)(1) and 37 C.F.R. 1.173(d)(2) with respect to claim 34, on line 2, which is indicated as being deleted and inserted, at the same time, by the underlining of the bracketed claim 34. Any changes to the claims must be relative to the patent being reissue and not a prior amendment. Hence, the underline and [34] must each be deleted. In other words, the first two lines of claim 35 should be underlined as:

35. (Amended) The method executing on a hardware computer of claim 31 further comprising:

with the underlining starting with "The" and totally across to, and including, ":" (see claim 67 (line 1) with respect to [An]). There are many other claims containing the same (i.e., and not a total list, see claims 35, 36, 37, 40, 41, et seq.). Also, for claim 3 (line 1) - et seq, there should be the use of the word -The-, not "A". Claim 55 has no period ":"; hence, it is uncertain if text has been forgotten or if this is truly the end of the claim. The applicant should review paragraph 6 of the prior Office Action mailed 10 March 2009, sections related to reissues in the MPEP, 37 C.F.R. 1.121, and 37 C.F.R. 1.173.
